FRONT FLAP

Add the boa yarn, and using the boa and the alpaca held together, purl the first 16 sts (20 adult) on the needle.

Turn, and continue to work in garter stitch, knit every row, until flap measures 3"

Bind off, and fasten last stitch, leaving a long end.

Use this long end to sew the brim flat to the front of the hat, as shown in the picture.

BACK FLAP

Continue working with both the alpaca and the boa yarn held together.

Purl the remaining 38 sts (46 adult)

Continue in garter stitch, knit every row, until the flap measure 2" (3" adult). Bind off and fasten the end. Sew seam from the crown to where you started working the flaps.
