Work even until the hat measures 8" from your cast on stitches, finishing with a purl row.

FRONT FLAP

Add the boa yarn, and using the boa and the alpaca held together knit the first 16 sts on the needle.

Turn, and continue to work in garter sts (knit every row) until flap measures 3"

Bind off, and fasten last stitch, leaving a long end.

Use this long end to sew the brim flat to the front of the hat, as shown in the pictures.

BACK FLAP

Continue working with both the alpaca and the boa yarn held together,

knit the remaining 38 sts.

next row: purl

Continue in stockinette stitch – knitting on the right side, purling on the wrong side, until the flap measures 2 inches. Bind off, and fasten the end.

Sew the seam from the crown to the where you started working the flaps, and you have yourself one adorable, and very chic Kid's Lumberjack Hat
